Travel

Coach

Your travel arrangements are an important part of your tour, and it is our belief that you should **travel in comfort and safety**. An executive coach is typically provided for door-to-door travel throughout the tour. Your coach will usually be equipped with seatbelts, reclining seats, DVD, stereo, air circulation system, microphone, toilet and drinks machine. Various coach sizes and capacities are available. Tour drivers are an important part of the tour, so you should find your drivers to be friendly, experienced and reliable. Where coach travel is provided by suppliers in overseas countries, we contract reputable local companies to handle all the necessary journeys as stipulated, but while they comply with local regulations, please bear in mind that these may be different to those here in the UK.

Ferry

We use **the ferry services** from Dover to Calais for most of our tour groups travelling to Europe. With refurbished and improved vessels, you can eat and drink on board in comfort as you sail across to the Continent. We also use the fast and popular **Eurotunnel service** from Folkestone to Calais. A supplement is sometimes required for groups wishing to use this service.

Flights

For **flight-inclusive packages**, we will always take into consideration your preferred departure airport and travel times, however we cannot always guarantee these as many bookings are accepted in advance of airline schedules and route confirmations being released. Please also bear in mind that there may be very little flexibility in booking seats with a number of these airlines. As such, any requests for passenger name changes after a booking has been received may well be subject to substantial amendment fees as imposed by the airlines and such conditions are outside of our control. Our packages do not typically include the carriage of additional ski equipment which would need to be booked separately at a supplement.

Accommodation

We offer a varied selection of accommodations, all of which have been visited by our staff, agents or representatives and checked for their suitability for our groups. Most bedrooms are en-suite although some units may have shared washroom or toilet facilities. As local **accommodation classifications vary** in different countries, please read the descriptions carefully or ask us for further details before deciding whether a particular destination is right for you and your group.

Meal plans

Different meal plans are available, so please check your Tour proposal for details of the meals that have been included in your package. These may be referred to as **room only/self-catering** (no meals included); **bed and breakfast** (only breakfast included); **half board** (breakfast and dinner included) or **full board** (breakfast, packed lunch and dinner included). Meals will be provided at your accommodation unless otherwise advised (but sometimes might be at a local restaurant for example).

Damage Deposits

Some accommodation providers require a **damage deposit** to be paid in advance or directly on arrival, refundable after the stay subject to an inspection of your rooms.

Tourist tax & City tax

Some accommodation providers are required to charge a city tax or tourist tax which may have to be paid directly on arrival. Whenever possible we include these costs within your package (but please check on your Inclusions for details or check with us first if you are unsure).

Subject Specific Considerations

We will work with you to build a programme of educational elements and additional activities during your tour to meet with your specific curriculum requirements and expectations. Packages are often totally bespoke and tailor-made. These may include museums and places of educational and cultural interest, tailored workshops, excursions and visits etc. These can form part of your package and be pre-reserved on your behalf and paid for in advance.

Tickets to shows, the theatre, sports matches, music or other performances can often be purchased in advance too, should scheduling allow and on request.

Please refer to your Proposal for details of the specific inclusions in your package as well as the listing of optional extras for consideration and other important information. Our specialist team is always here to discuss your requirements in order to meet or surpass your expectations.

Representation

Depending on the nature of your tour, this could mean a local representative to meet with you on arrival to assist with check in; English-speaking assistance during your tour or local agency support. A full-time tour representative dedicated to your group is not included in your tour package unless specifically shown as an inclusion.
