- 2.1.6 Managers are required to report on a regular basis to the directors regarding the implementation of the SMS including both success and weakness requiring attention and review.

2.2 Review

- 2.2.1 Our safety management standards will be independently assessed and verified by an approved external Health and Safety consultant on an annual basis.
- 2.2.2 Any accidents, incidents or near misses brought to our attention will be recorded and reviewed (see section 10 for the procedure on Accidents, Incidents and Near Misses).
- 2.2.3 A formal review of the SMS is held by the directors on an annual basis.

2.3 Responsibilities

- 2.3.1 Overall and final responsibility for health and safety rests with the Managing Director including the development and implementation of the Safety Management Policy. Day to day responsibility for the management of health and safety rests with the Managing Director including the appointment of competent persons to implement the policies, the provision of adequate resources and monitoring of current best practice.
- 2.3.2 All line managers and supervisors must ensure that this policy is followed, and that staff are managed and supervised in accordance with it. Breaches of Company safety rules and procedures will be subject to disciplinary action.

Additional clauses aimed at further improving safety standards for the benefit of our clients may be added at our discretion. Confirmation that the contract conditions/minimum standards are still being met will be obtained every three years.
- 3.2 For all accommodation centres secured by agents or ground handlers, Absolute Travel & Tours will endeavour to ensure that an agent contract is completed and regardless, will confirm that the accommodation they are providing conforms to local and national fire, safety and hygiene standards and that liability insurance is in place for the duration of the contract. Additional clauses aimed at further improving safety standards for the benefit of our clients may be added at our discretion. - 3.4 Absolute Travel & Tours will request and endeavour to obtain a copy of the current liability insurance policy.
- 3.5 Absolute Travel & Tours will request and endeavour to obtain a copy of the current hygiene certificate or equivalent local documentation, should such documentation be produced and be available.

Standard Accommodation Checklists

- 3.6 All accommodation used will be subject to a Standard Accommodation Checklist prior to first use and thereafter when a significant change occurs, such as major structural alterations, or change of owner, or at a maximum of three-year intervals, whichever is the sooner.
- 3.7 The Standard Accommodation Checklist aims to audit aspects of fire safety, hygiene and general accommodation facilities and may be completed by company director, senior staff, approved agent or accommodation manager.
- 3.8 The results will be assessed by a suitably trained and qualified company auditor or approved external auditor and recorded in one of the categories outlined in 3.14 below along with details of any subsequent investigation, should areas of concern have been highlighted.
- 3.9 A random spot check of Standard Accommodation Audits may be taken by a trained auditor and where significant discrepancies in the accuracy of the information provided by a third party are identified, suitable corrective action will be undertaken before accepting any further Standard Accommodation Audits from that source.

On-site Accommodation Audits

- 3.10 A supplementary audit will be required for all accommodation centres that are deemed to be 'frequent use.'
- 3.11 If it becomes evident that the accommodation will be used in any one year for five or more different groups, or 250+ clients – whichever is reached first - it will be listed as 'frequent use' and within a maximum of twelve months of the frequent use criteria being established, will receive an on-site Accommodation Audit.
- 3.12 A supplementary audit is a more in-depth audit carried out on location by an auditor qualified in this capacity.
- 3.13 The accommodation will be re-audited to On-site Accommodation Audit standard at least every three years, should it continue to be deemed 'frequent use'.

Monitoring of Accommodation Audits

- 3.14 Following the completion of accommodation audits, these will be recorded in one of the following categories and maintained on file, indicating the current audit status:
 - **High Conformity:** Minor or no areas of improvement have been identified. The management will be commended and encouraged to maintain their standards.
 - **Acceptable Conformity:** Room for improvement has been identified, but the defects do not render the accommodation unsafe. The defects will be brought to the immediate attention of the management at the time of auditing or at the time of the audit assessment and followed up in writing within 14 days. The deficiencies will be evaluated, and a schedule of remedial action will be agreed and monitored.
 - **Unacceptable:** The accommodation centre is considered unsafe for our customers, even if it conforms to local standards. This accommodation will be removed from our programme and will not be re-instated until the defects have been rectified and the establishment re-audited to a standard that is either High or Acceptable Conformity.
- 3.15 A schedule of all accommodation used is maintained, indicating the current audit status of each.

Illness Management & Incident Management

- 3.16 Accommodation providers should have an effective system in place for responding to any illness outbreak. The system should include clear instructions on the implementation of the prevention of spread of infection (POSI) procedures and these questions feature in the General Safety section of the Accommodation Checklists and Audits.
- 3.17 Accommodation providers should have documented contingency plans in place for the continuity of the business in the event of a major incident and these questions feature in the General Safety section of the Accommodation Checklists and Audits.

6. Sports, Skiing and Activities

6.1 Sports

Before the Trip

- 6.1.1 There will be discussions with, or information will be provided to the group leader which will cover:
- The Group Leader's objectives.
 - The age and skill level of the participants and potential opposition in relation to that of the tour group.
 - Specific equipment and clothing requirements; existing international legislation, local rules and the range of playing surfaces that may be encountered.
 - The suitability and duration of proposed coaching, games, matches and/or tournaments including where available indications of proposed match schedules in tournaments to allow consideration of rest and recovery periods.
 - Special needs.
- 6.1.2 Group Leaders are issued with an itemised package proposal with a transparent pricing, indicative itinerary and a copy of our "Before You Go – A Planning & Safety Guide" at the booking stage.

Insurance

- 6.1.3 Any insurance included in our sports tour packages will have appropriate cover for the sports to be undertaken.
- 6.1.4 Leaders will be reminded that it is their responsibility to ensure the suitability of any alternative insurance cover arranged separately should they choose to opt-out of the insurance cover that is included. We may request a copy of any independently sourced travel insurance to be kept on file if we are concerned, but this is not a requirement.
- 6.1.5 The tour leader will be advised to inform travellers (and parents of any pupils) of the detail of the insurance schedule of cover so that they may make additional arrangements if they so wish and to contact any Health Check line to discuss any pre-existing medical conditions in good time at their own discretion (should this be required).

Permissions

- 6.1.6 Suitable information will be provided to the group to ensure informed decisions on permission to tour by parents and the managing authority. Where such schemes exist and approval to tour by a UK Sports' Governing Body has been granted in writing, such permission will be passed on to the necessary authorities overseas for reciprocity.

Sports Venues, Facilities and Equipment

- 6.1.7 We will take all reasonable steps to ensure that all facilities offered are fit for purpose in achieving the group's aims while maintaining appropriate safety standards. Whenever practicable, an assessment of the following will be made by the hosts, local agent, or remotely by our staff:
- First aid facilities
 - Emergency medical procedure
 - Changing and welfare facilities
 - Transport access
 - Appropriateness of the pitch or court playing areas to the age group involved
 - The suitability of the actual location of fixtures where there may be adverse local conditions
- 6.1.8 We will endeavour to carry out a 'Sports venue audit' for any venue that may be used for our festivals or frequently used for fixtures.
- 6.1.9 We use audited sports venues for events, festivals and friendly matches whenever possible, practical and appropriate, but many circumstances determine the use of other non-frequently used venues. Such occasions include the matching of teams in terms of age and ability; the availability of teams, officials and venues; weather and other local conditions and factors. Due to the enormous number of miscellaneous venues used, many used on a one-off or infrequent basis, we will not inspect these or carry out a 'sports venue audit'. However, they may well have been recommended by our local agents who are responsible for the organisation of ad hoc fixtures.
- 6.1.10 Where sports equipment is supplied by us it will be fit for purpose. If sports equipment is supplied by a host club or local venue or via a local agent, it should meet local health and safety standards even if these differ from our own.

Sports Fixtures, Tournaments and Festivals

- 6.1.11 Staff members, or agents appointed by us, will endeavour to ensure that the sports fixtures that are organised are only arranged with teams of a comparable age and ability. In exceptional circumstances, alternative arrangements will be put in place once the client has been informed and agrees.
- 6.1.12 Staff members, or agents appointed by us, will endeavour to ensure that all sports fixtures are organised with clubs or teams with a suitable reputation and appropriate facilities. In exceptional circumstances, alternative arrangements will be put in place once the client has been informed and agrees.

- 6.1.14 Group leaders will be advised of any 'Code of Conduct' requirements and regulations that may be appropriate to the host facility, club, venue, festival organisation or tournament committee (or organisers) when we have been advised in advance.
- 6.1.15 In staging tournaments, festivals and events that are owned, managed and organised by Absolute Travel & Tours, the personal wellbeing of participants is always paramount:
- Group leaders, staff and festival staff should refer to our Safeguarding policy
 - Group Leaders and staff should refer to our 'Before You Go – A Planning and Safety Guide' and any Guidelines pertaining to the event they are attending.

 - Whenever practical, advance written notification of these schedules will be given.
 - No participating pupil should be subjected to unreasonable levels of physical activity given the nature and duration of the activity.
 - Sufficient rest periods are provided to allow for recovery between matches.
 - Any contingency arrangements will be put in place with the least disruption practically possible to the overall programme.
- 6.1.17 In booking teams into tournaments, festivals and events that are not owned, managed and organised by Absolute Travel & Tours, we will endeavour to ensure that we only select events that are reputable and suitable for our teams and to forward any regulations and schedules in advance whenever this is practicable.

Coaching Staff and Festival Staff

- 6.1.18 The quality of all coaching and support staff will be fit for purpose and staff will have the necessary qualifications, training and experience to fulfil the role expected of them. Individuals will be National Governing Body licensed where appropriate and will not have been banned from working with young people.
- 6.1.19 All event representatives and coaching staff appointed directly by Absolute Travel & Tours will be subject to an application and interview process and references and identity checks requested. Where possible (for British citizens resident in the UK), DBS checks are also made, if deemed appropriate for the role contracted.
- 6.1.20 Where third party providers are used to supply coaching staff, including professional football clubs, Academies and associations, we will ensure that the qualification and competences of staff provided meet with our requirements and expectations. We will ensure that any additional safeguarding/child protection policies are adhered to and respected by those suppliers.
- 6.1.21 A feedback process via the tour questionnaire that we send to groups is in place to ensure that the suitability of delivery and the monitoring of performance of staff and individuals can be regularly reviewed, and that supplementary or remedial action may be taken as appropriate.

6.2 Skiing

Before the Trip

- 6.2.1 There will be discussions with, or information will be provided to the group leader which will cover:
 - the group leader's objectives for the trip
 - the age and skill level of the participants, class sizes and instructor/pupil ratios
 - the suitability of the resort, accommodation and any special needs or other requirements
- 6.2.2 Any insurance included in our ski trip packages will have appropriate cover for the winter sports to be undertaken. The tour leader will be advised to inform travellers (and parents of any pupils) of the detail of the insurance schedule of cover so that they may make additional arrangements if they so wish and to contact any Health Check line to discuss any pre-existing medical conditions in good time at their own discretion (should this be required).

- 6.2.6 Emergency contact details and procedures; homecare abroad issues; and suggested information to be carried by pupils should they become isolated from the groups whilst away on tour, are outlined in the 'Before You Go – A Planning and Safety Guide' which is sent to the Group Leader and which is available to download from our website.
- 6.2.7 An indicative itinerary will be supplied to the school (to pass on to parents should you wish) prior to travel.
- 6.2.8 A poor weather contingency plan will be in place where practicable and appropriate.

Ski Equipment

- 6.2.9 Absolute Travel & Tours works only with established and reputable ski hire shops and equipment providers. Each supplier has a written Service Level Agreement with us that specifies the minimum safety and quality standards that we expect for our clients, specifying the following conditions:

- 7.5 If we become aware that a visit or excursion is considered unsafe, we will remove it from our programme or list of optional extras even if it conforms to local standards, until evidence that the defects have been rectified is in place.
- 7.6 We shall categorise risks as follows:
